

# *Seeking Firecrackers . . . Talented Resourceful Entrepreneurial Smart People . . .*

As Asia's leading legal recruitment firm, Hughes-Castell (Hong Kong) Ltd is looking to grow its successful team.

## *If:*

- You are a people person
- You enjoy helping others
- You have high EQ
- You enjoy working in a varied and flexible environment
- You have 1-5 years working experience as a lawyer or in recruitment

## *Then:*

You may find legal recruitment an enjoyable and fulfilling career. We have one of the largest and most blue chip client portfolios in Asia and, with over 20 years experience in this niche market, we can offer you an outstanding platform from which to learn and develop your skills while utilizing your knowledge and experience.

Ideally, you are a qualified lawyer or legal professional seeking a new direction, or have prior recruitment related experience, with strong business acumen and the determination and commitment to build your career. You need to be outgoing, articulate and have excellent written and spoken English, and another Asian language such as Chinese or Japanese will be a distinct advantage.
